Undoing the Ego Workshop Outline:

Based on their best-selling book, *Take Me to Truth, Undoing the Ego*, and inspired by *A Course in Miracles* Tomas Vieira and Nouk Sanchez will reveal why you will never consistently experience what you really want until the “one” unconscious saboteur is revealed and released! Through a mix of delivery, reflection, journaling, experiential exercises, much laughter, and discussions, you will learn to recognize the extent of the ego's role in your conscious and unconscious mind and how to initiate your release from the only barrier to consistent peace, love and happiness. If you're done with seeking, suffering and pain, you will find Truth at this workshop. This will be the last workshop you will ever need to achieve true happiness and peace!
